

# MASHAMSHIRE COMMUNITY OFFICE

[VisitMasham.com](http://VisitMasham.com)

## Mashamshire Community Office Reopens to the Public on Mon 6 July

From Monday 6 July the Community Office building opens to the public once again, though not all services will be back in one go. We will operate with a few changes to ensure we are “Covid-Secure”. This means staff, volunteers and visitors, as well as other building users, such as Acorns and North Yorkshire Police, can all continue to be safe.

**For anyone self-isolating, we can still help with shopping, collecting prescriptions or just someone to talk to – just give us a call on 01765 680200.**

### From Monday 6 July...

Initially, we will be open from 10am to 3pm weekdays.

Public access will be limited to certain parts of the building only. You will be asked to use hand sanitiser on entry; there will be screens on the counter and restrictions on handling leaflets and books. Social distancing rules mean we will be managing the flow of visitors and limiting the number of people allowed in at one time. Expect to be greeted at the door by one of our welcoming volunteers who will explain everything, but you may be required to wait at busy times. We will be available for:

- Tourist Information –info, advice & guidance for visitors
- Travel & transport information
- Printing, photocopying, laminating services
- Public access to a PC & Internet
- Advice on Harrogate & NYC Council Services
- Jigsaw library and second-hand book service

### Coming Soon...

In phase two of our plans, we'll be opening Masham Community Library for “Click & Collect” style lending in August and Town Hall bookings and ticket sales will follow.

We very much look forward to seeing you.
