

## MASHAM COMMUNITY LIBRARY SELECT AND COLLECT FORM

Please either complete electronically or print out and complete in **block capitals**. If the books are for a junior member, please complete with *their* details and library number:

<b>Full Name</b>	
<b>Postcode</b>	
<b>Full Library Card Number</b>	
<b>Contact Telephone</b>	

We can select books for you from the categories below, up to 6 books per person. Please state how many of which type you would like. You can suggest named authors but, if we do not have any in stock, we will select some similar writers. If you want only a particular title, we will have to reserve it from another library as before - this could take some time. You can also include a wild card option!
