

### **SELECT AND COLLECT SERVICE AT MASHAM COMMUNITY LIBRARY**

**Sadly, we have had to close our doors to the general public due to the current national lockdown but we are still able to offer the Select and Collect service.**

Please ring 01765 680204 and speak to a Library volunteer Mon-Fri, 10am-12pm and they will explain the process and talk to you about your reading preferences and complete the form with you over the phone. Alternatively, you can access the Select and Collect form from our website and email it back to [info@visitmasham.com](mailto:info@visitmasham.com)

We will keep your forms on file, so for future requests you will only need to call to confirm or change your book preferences.

Books will be pre-issued to you and we will ring you to arrange a time to collect them from the Community Office. Another person can collect them for you or we may be able to deliver locally if you have no other way of collecting them. All returned books will be quarantined for 72 hours before being returned to stock. We are aiming to have book orders ready for the following day but if a book needs to be requested from another library, this service is currently taking longer.

If you are unable to ring during library opening hours, please call the Community Office on 01765 680200 and a member of staff will endeavour to help you.
